

FUNK

What's wrong?

I feel so low.

why?

Life is passing me by... I haven't accomplished anything!

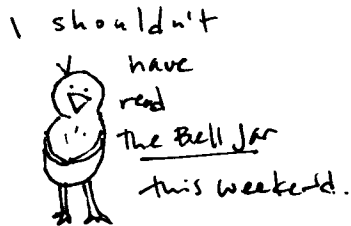

But you're a young bird! you have a lot of time!

That's what they said about my cousin Margie... an then she died from the COLD!

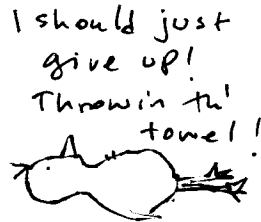

That's really very sad, but BdP, it's not like you are gonna be left outside!

I shouldn't have read The Bell Jar this weekend.

poop!

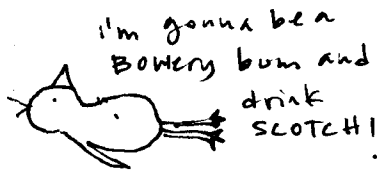

I should just give up! Throw in the towel!

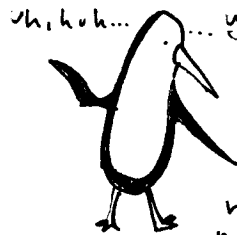

GET UP, BdP!

No.

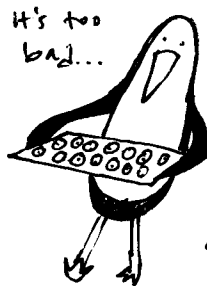

I'm gonna be a Bowery bum and drink SCOTCH!

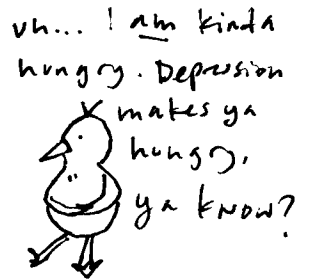

uh, huh...

... you've been watching too many Danielle Steele novellas-turned-movie-of-the-week!

It's too bad...

I guess you're not in the mood for my homemade oatmeal-chocolate-chip cookies, are ya?

uh... I am kinda hungry. Depression makes ya hungry, ya know?
