

If you wanna  
blend in, in PARIS,  
here's  
What I  
learned.

1. Buy a  
Scarf.  
Arrange  
just  
So.

OR a beret.  
I'm not a  
hat person,  
per se,  
so I'll leave  
the choice up to you.

2. sit in a cafe  
all day.

I would  
say  
smoke,  
but  
c'mon,  
That's tris  
stupid.

3. When in doubt, say one of the following things:

Vive  
la  
France!

OH LA LA LA  
LAAH...  
c'est grave.

Je ne  
suis  
PAS  
d'accord.

GARÇON,  
un  
chocolat  
chaud,  
s'il  
vous  
plaît.

What?  
That's  
all  
I've  
got!  
I've  
been sick!
