

UPSIDE

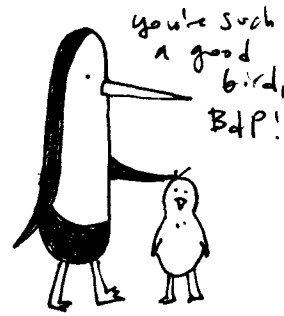

What's wrong, Flop?

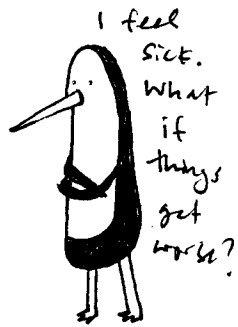

Well... The market could not be worse.

Oh, That's HARD.

You're such a good bird, Bdp!

I feel sick. What if things get worse?

I'll be right back!

No, just hang out with me.

OK! C'mon, let's go to the market. TOGETHER.

I'll show you -

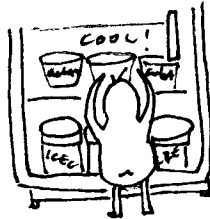

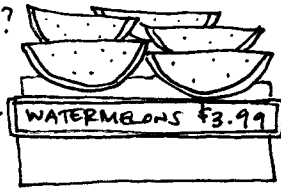

Um, Baby? I'm not talking about a market place.

I'm talking about...

You know what? Let's go to the market.

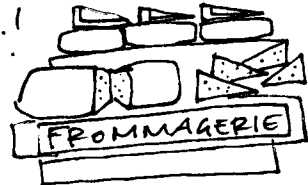

Are all these BEAUTIFUL?

SHRIMP-wow!

P.u.!

It's a cream-sicle!

For you!

Flop, how you've seen the market and it looks good to me!

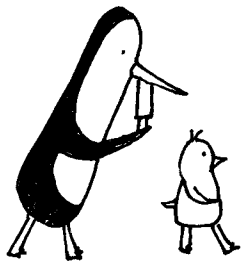

I guess. I appreciate your optimism, Baby.

Pick a hand, Flop.

You're right hand, I guess.

Feel better?

That really hit the spot, Bdp!

Hard work and a stomach of steel will pay dividends in this bear market, Flop.

OOH! TOP CHEF IS ON! YES!
